Safety Goggles

H24873-0000

PLEASE READ THIS BEFORE WEARING

WARNING: Scienceware® Safety Goggles offer limited protection against moderate impact hazards, metal chips, particles, and sparks. These lenses are not unbreakable or impenetrable. This polycarbonate product offers greater impact resistance than glass lenses, and meets the performance standards of ANSI Z87.1-2003. Please refer to your ANSI manual or safety specialist for proper selection as some applications may require face-shields, machine guards, etc. in addition to these goggles. If the lenses become scratched or pitted, this product should be discarded and replaced immediately.

CLEANING: Use the Scienceware® LabLens® Liquid (F24833-0000) or the Scienceware® Disposable Lens Cleaning Station (F24835-0000) to clean goggles. Mild soap and warm water may also be used. **DO NOT** use alcohol, solvents, or special cleaners. Air dry or use a soft tissue to pat dry the lenses.
